

University of Bergen - Faculty of Medicine  
Centre for International Health  
European Malaria Vaccine Initiative (EMVI)

### **Three-year, Full-time Position as Project Manager**

**Duties:**

To assist the Director of Clinical and Regulatory Affairs in implementing projects approved by the EMVI Board. Extensive travelling in Europe, and to a lesser extent in Developing Countries, primarily Africa to be expected. To assist the Executive Director in implementing pharmaceutical and clinical development contracts.

**Areas of Responsibility:**

The Project Manager will participate in:

- EMVI product and clinical development
- establishing and monitoring EMVI-sponsored clinical trials in Europe and Africa
- developing and managing of documentation for regulatory authorities
- reporting to the EMVI Director of Clinical and Regulatory Affairs

**Qualifications:**

MD or pharmacist, alternatively a PhD in Biology.

Degree in Epidemiology, Immunology or Clinical Research would be an asset.

**Experience:**

Three to five years experience in clinical development, preferably in the pharmaceutical industry at the level of Project Manager, or clinical research physician.

Knowledge of Microsoft Project, Microsoft Office, Microsoft Access and statistical software is desirable.

Fluency in English is mandatory while knowledge of another European language would be an advantage.

**Duration/salary:**

Contract period will be three years. Attractive salary conditions to be offered.

**Commencement Date:**

As soon as possible.

**Deadline for Applications:**

15 July 2003

**Applications should be sent to:**

Centre for International Health  
attn: Professor Bernt Lindtjorn  
Armauer Hansen's Building  
Haukeland University Hospital  
N-5021 Bergen  
Norway
