

AMANET three-year (2004-2006) Strategic Plan

Dear members

For more a transparent and efficient performance, AMANET has put up a three-year strategic plan upon which all its activities will be based. It is planned to have the strategic plan presented and discussed on 27 February 2004 at the coming Second General Assembly in Arusha, Tanzania. To facilitate this exercise please [read the document ahead](#) of the General Assembly and send your comments to the Secretariat or bring them with you or through your representative for discussion at the General Assembly.

With best wishes

Charles S Mgone
Network Director
